Look out world, for here I come.
I'm somebody new, I'm ready.
I'm making it and I'm never down and blue.
Though things sometimes trouble me,
And sometimes cloud my day,
I'm young, I'm spirited, and I'm looking for
A better way.

I look, I often see my troubles piling up
All around.
These troubles give me headaches to bring
Me to the ground.
I can control my troubles, with some help
From my friends.
For together we can make it happen.

We are making it happen, together we can
see into a hazy future and what may come to be.
Though things are happening all around
and time is passing by.
Alone and together we are-
MAKING IT HAPPEN!

REAGAN BEATS KERMIT . . .

In an awesome show of the voters dissatisfaction with the muppets Ronald Wilson Reagan beat Kermit The Frog by a landslide. Kermit, a late entry to the campaign was originally overrated. Despite his well funded shot at the presidency it was soon obvious that he was no match for Reagan.

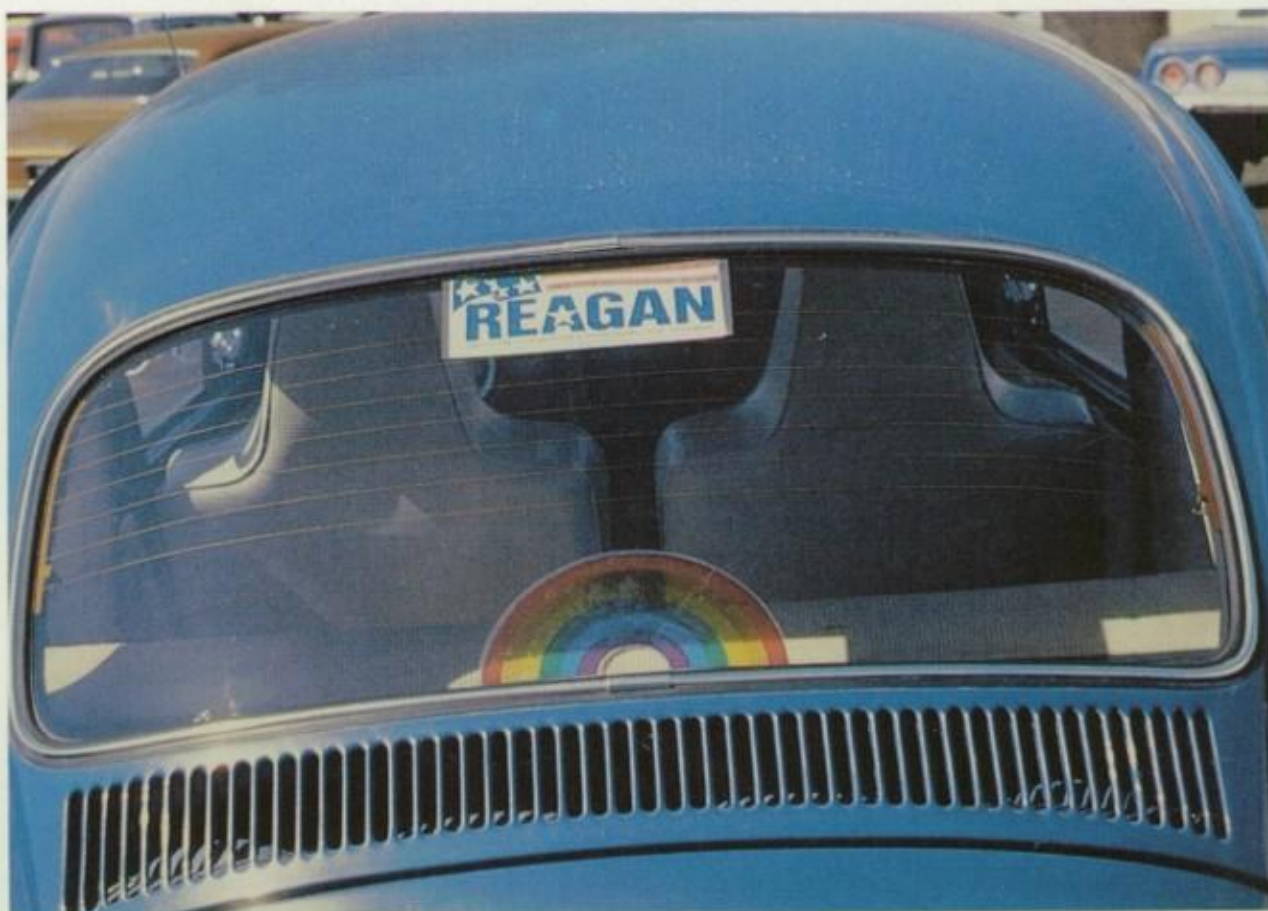

Kermit, though, is a good loser and promised to give Reagan all his support when Reagan goes to the White House.

REAGAN WINS BIG

On November 4, 1980 Americans went to the polls to Elect a new President. The result was stunning. A landslide vote for Ronald Reagan. Reagan beat his incumbent competitor, Jimmy Carter, by a margin greater than the victory of Franklin D. Roosevelt over Herbert Hoover half a century ago.

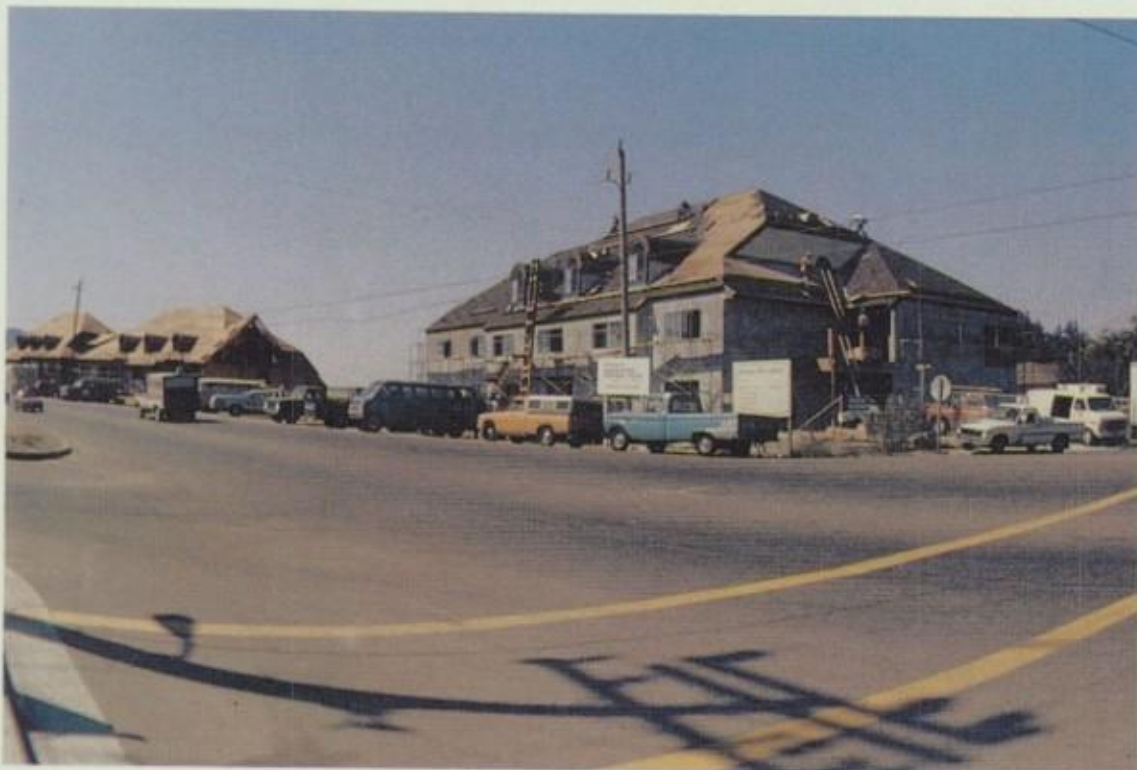

Carter and Reagan were thought to be close in the polls all the way up to November 4. But Reagan's staggering win over Carter showed an obvious dissatisfaction with Carter, not expressed in the polls.

The Republican Party also took control of the Senate for the first time in 25 years. Locally Republicans made no large gains. Most offices in Santa Barbara County and the State remained in their incumbents' hands.

ALL IN FUN!

On June 11, 1981 there was a invasion task force (code name, BREAK OUT). While two terrorists were holding Dean Anders hostage, the rest of the force was staging a successful breakout attempt at the detention center. In light of this violent outbreak, Anders with the consent of the school board, cancelled the rest of the school year. Graduation will be on June 12, 1981.

Seniors

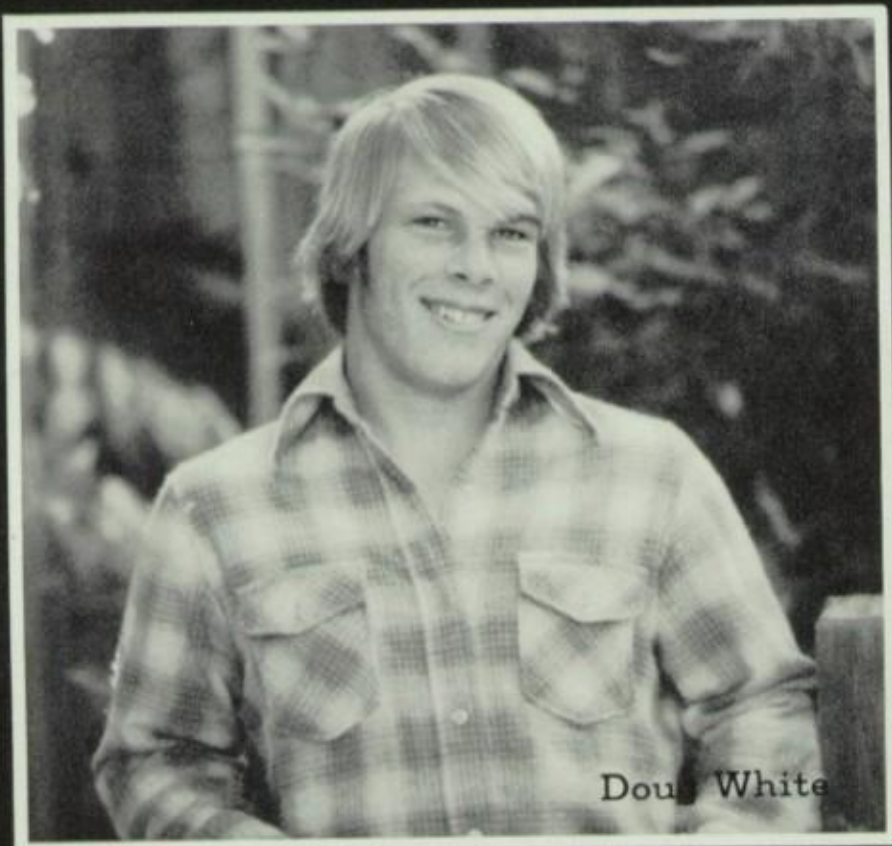

Freshmen, we entered Santa Ynez High School with a new set of expressions and ideas.

Sophomore, the word itself demands respect. We were part of "upper classmen".

Juniors, the year of blasts. We did not have all of the worries of Seniors, but we were growing up.

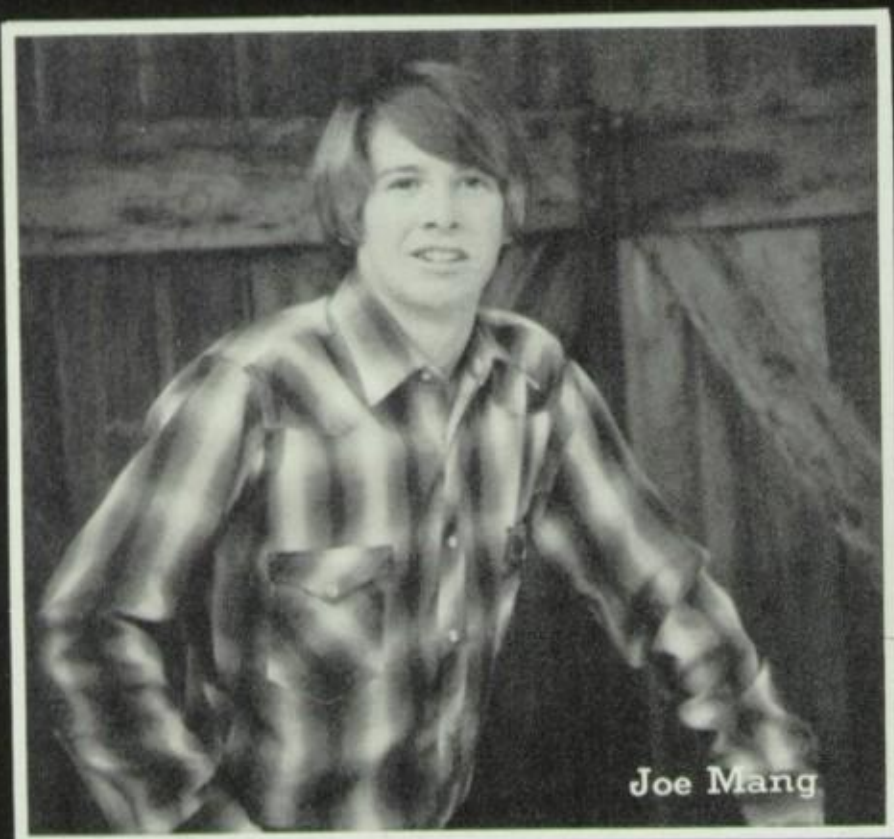

Seniors, We made it to the top. We are faced with decisions that affect our lives. Now we're faced with decisions that will affect our futures.

This year many new changes have come into effect. A new set of rule and regulations were given, in a folder to the student body. The folder was quite useful, and was a wise decision by the school. The new regulations included a new attendance policy, which made use of a new deterrent, the detention room. These new policies, combined with the appearance of more fences, coined the new phrase, "Santa Ynez Prison." All of these things were to help the student make it happen in school and prepare them for the future.

CLASSES

Freetime has been a rarity, but for the time students had free, many activities were available. Intramural competition included: Badminton, Basketball, and Volleyball. Also, pep rallies and concerts were scheduled at lunchtime. This year also saw it's great scandals. Among them was the great ticket scandal where many dance tickets kept turning up that weren't published by the school. Actually, these were tickets from previous dances that hadn't been disposed of. All in all this year was quite a success. The students went through the year in great stride and look to making it next year as they did in 1981.

JUNIORS

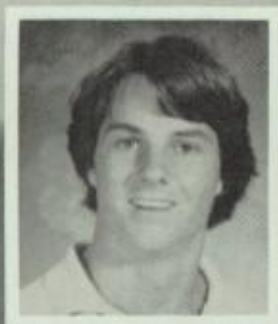

The class of 1982 began their school year by being introduced to requirements, such as two semesters of U.S. History. They were also exposed to their first taste of taking a College Entrance Exam in the form of the P.S.A.T.

Juniors were actively involved in school competition, and had the pleasure of sponsoring a highly profitable dance.

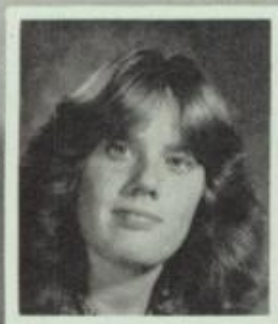

Santa Ynez High's Junior Class now is looking forward to their final year of high school as — SENIORS! They must now begin to plan for their future. Juniors can reflect on 1981 as a year they helped "MAKE IT HAPPEN."

The class of '83 like the juniors saw change in their curriculum. They were required to take a new course, sophomore English. Sophomores raised money by sponsoring a dance prior to the homecoming game, they also made a good showing in class competition. Sophomores look forward to their remaining two years of school with anticipation of how they can make it happen.

This years freshmen have had life easy. They weren't subjected to horrors of open registration and they haven't been here long enough to get confused over the new Attendance policy. Freshmen have made it happen with their own fund-raising activities and their own outlook on things. They have also done well in Class Competition and have shown good participation during the dress-up days. Freshmen look forward to their remaining three years at Santa Ynez High.

REFUGIO

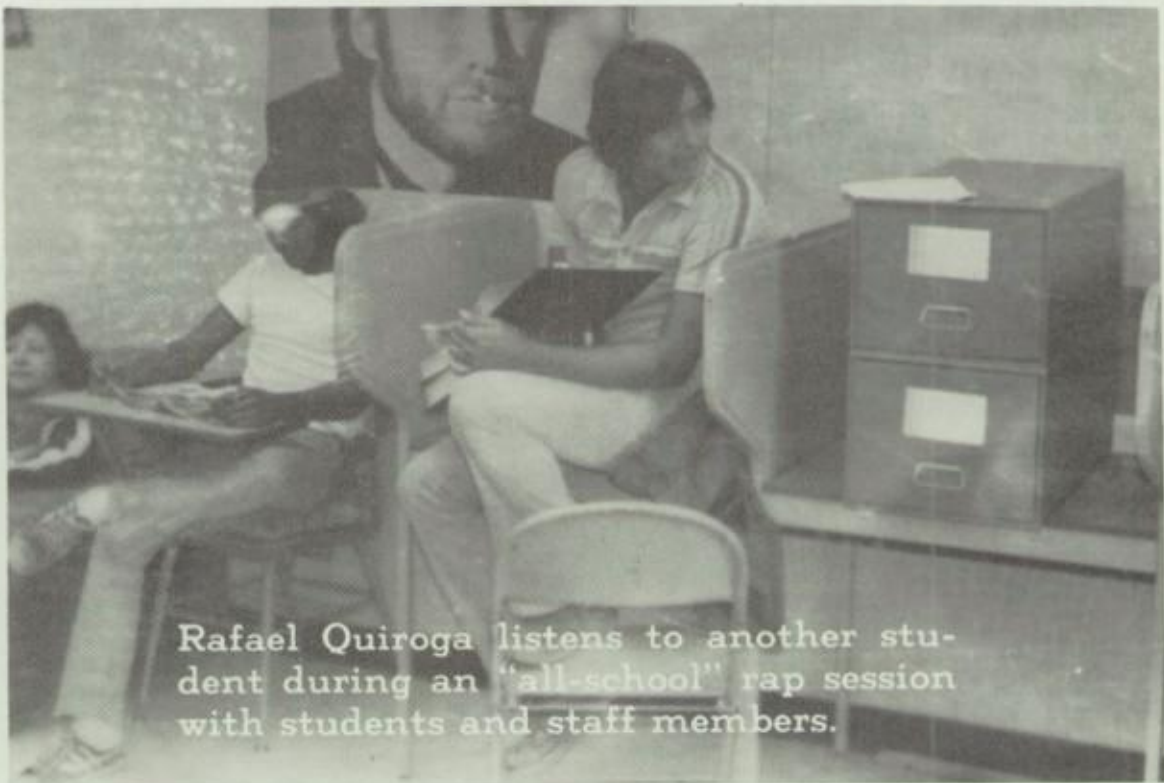

"HEADS UP"
Debbie Hand "goes for it"

Sutton Powell listens intently during a student-staff "rap" sessions.

Rafael Quiroga listens to another student during an "all-school" rap session with students and staff members.

HIGH SCHOOL

Students show a great amount of enthusiasm for daily volleyball.

Refugio High School is the alternative high school for the Santa Ynez Valley Union High School District. It is a place where students can attend classes and accomplish specific academic or behavioral goals at their own individualized pace. Students work at their particular achievement and ability level. Teachers at Refugio High School use individualized instruction with each student.

Refugio High School was officially established by the school district in November 1979. The Staff consists of Mr. Ken Gruendyke, Teacher, Mr. Jere Smith, Teacher and counselor and Ms. Rebecca Novo-Normanly, Teacher and Site Administrator. During the beginning of 1980, Refugio High School received newspaper coverage by the Santa Barbara Newspress and the Santa Ynez Valley News.

Refugio High School has developed goals for its students which are achievable and realistic. The major emphasis of the school is to allow students to be successful.

Activities at Refugio High School include student-staff volleyball games, student-staff rap groups, Youth Leadership Development activities, a school softball team, a school garden, art projects and a landscaping class.

The Staff and students at Refugio are proud of their growth, maturity and accomplishments this year. Teamwork has been the key to success between the Staff and the students.

Refugio High School is facing the future with hope, enthusiasm and pride.

Mr. Anders, Mr. McCullough, and Mr. Nelson are a close administrative team. Mr. Nelson is the director of Business Services as well as Sports and Activities. Mr. Anders is the Dean of Student Affairs and an Advisor to Student Council. Mr. McCullough unifies this team. With his administrative skill and his experience, he gives a positive and productive influence to faculty and students alike.

They work hard for our
future
Their wisdom and
experience are ours
upon asking;
They truly work to
MAKE IT HAPPEN for
us.

Faculty and Staff are a vital part of the school. Their endeavors on behalf of students are invaluable. In 1980-81, Faculty and Staff have grown in numbers. From the experiences of years past, many new

FACULTY AND STAFF

administrative policies took shape this year. A change to "Back to Basics" curriculum, and tighter attendance policies were two of the changes made to assist students towards becoming better prepared

for their future.

Another major change this year was a computerized assist in class scheduling. This eliminated the chaos of the previous scheduling system. For monetary rea-

sons, the school day was cut back to six periods allowing all classes to meet every day. All of these innovations were just a few of the ways the Faculty and Staff **MADE IT HAPPEN** in 1980-81.

Mr. McCullough is our Superintendent and Principal at Santa Ynez High. He enjoys spending his leisure time being with his family, and playing tennis.

TALL FLAG TEAM GROWS TO TWELVE

The year 1980 brought changes for the Pirate Tall Flag Corp. In addition to adding six new members to the six returning alumni, the team was given only three home games to perform in. The corp was led by Karen Strong and assisted by Kim Petersen and Kathy Kaeser. The corp began preparing for the year at Spirit Camp UCSB, where they proved their ability by winning several superior ribbons. Their yearly events included Pep Rallies, Pirate Football games and competition parades. Tall Flags was sponsored by Mrs. Donnie Rohrbough who gave her time and support for the second year.

MAKING HARMONY

The Girls Glee Club, one of the quieter clubs on campus, consists of twenty-five talented girls who share an interest in singing and voice. Throughout the year the group performs for such organizations as the Lions Club, Senior Citizens Groups and various churches. Directed by Dan Neece, the Glee Club has been very successful, and welcomed by clubs everywhere in the community.

Jazz Band Proves Themselves Again

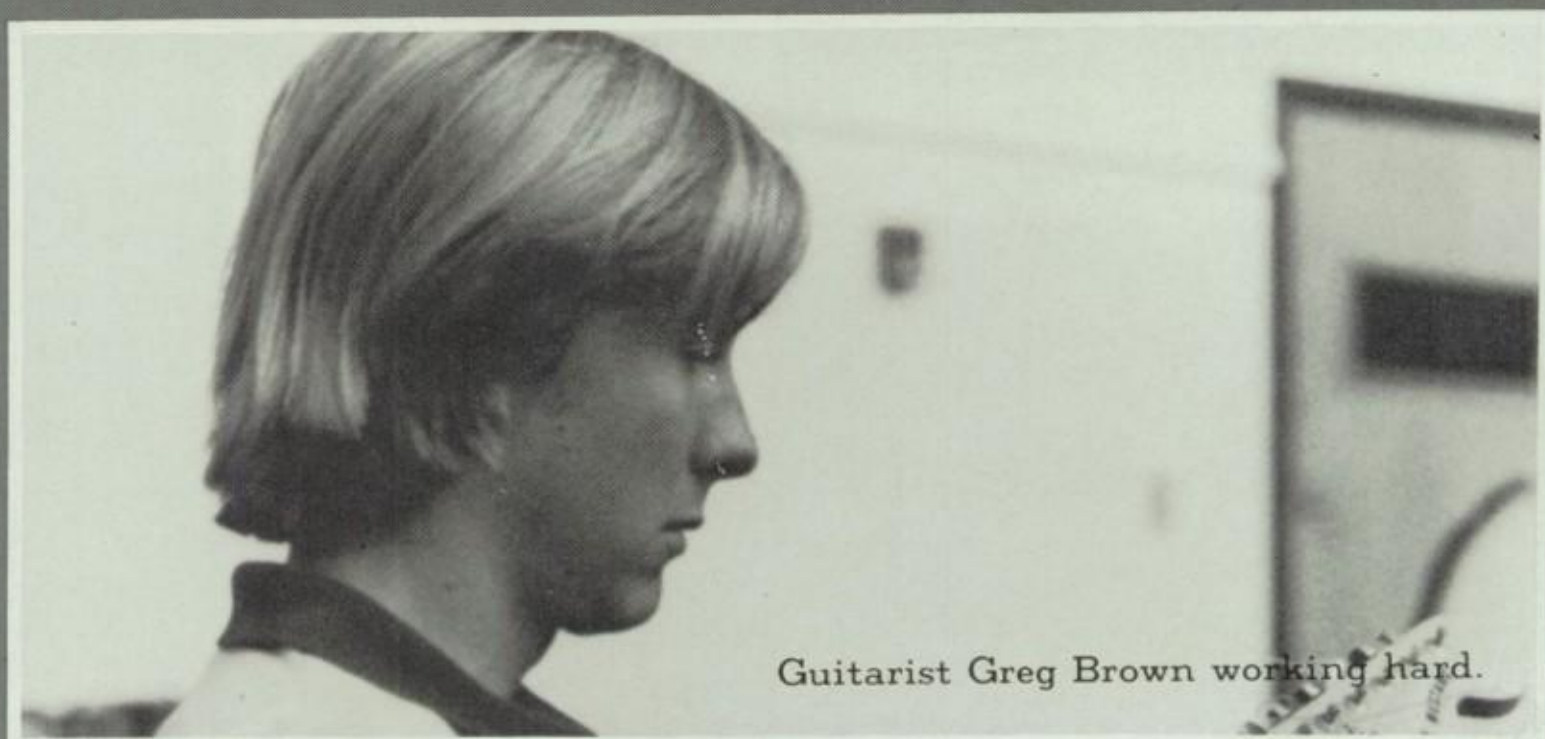

With the addition of six new members, Jazz Band got off to a slow start for 1980. Within two months however, the band gave an outstanding performance at the high school Little Theatre, paying tribute to the Beatles. Also the group tried something new this year, selling greeting cards to raise money for bus expenses. Trips included the Dos Pueblos Jazz Festival and Chaffee College Competition.

The purpose of the Varsity Club is to assist and support athletics and athletics events at the high school, and if needed to help in community activities. Students qualify for membership if they have earned a varsity letter in Interscholastic sports. The club's goal is to promote sportsmanship and pride in athletics at S.Y. High. The club earned money by selling popcorn at most home events, and also sponsoring a booth for homecoming.

This year was a little different than it has been in the past for the C.S.F. club. Even though the traditional college-visitation trips weren't taken, the members did try a couple of new ideas for activities. In the Fall they sponsored a frisbee-throwing booth in the Homecoming Carnival. The club did have its annual banquet the end of March for all its members and their families. In April, C.S.F. had a one-day field trip in which they visited Cal Poly. They also had the end-of-the-year party at Hollister Ranch.

A.F.S. has been an active organization for many years. This year, being no exception, the club sponsored Pirrko Havanto, a student from Finland. She is living with the Donald Johnson family for the entire school year.

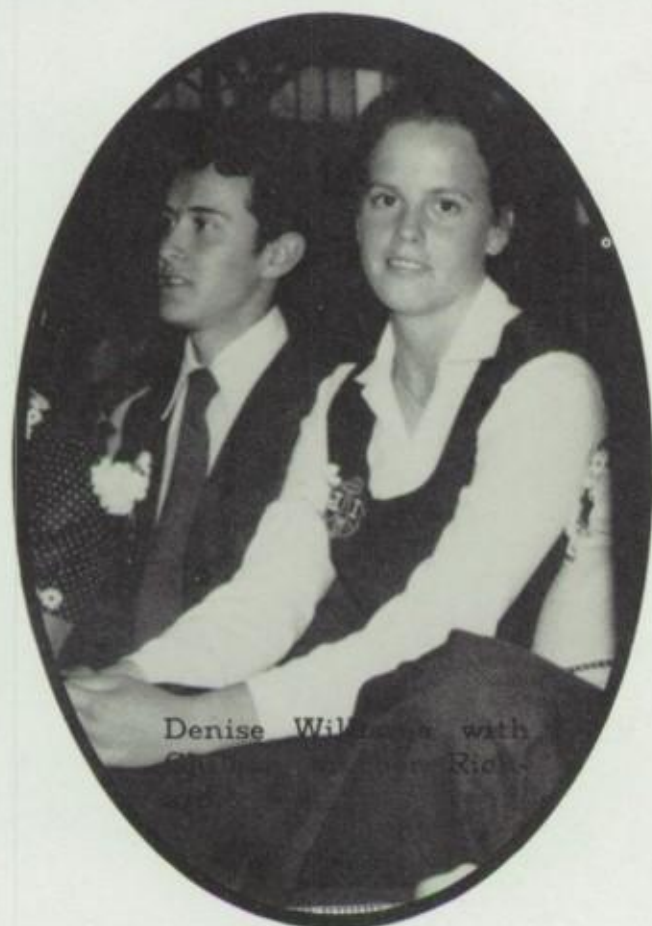

In addition to sponsoring a student from a foreign country, the Santa Ynez Chapter has sent students to other countries. Felicia Gravitt went to Australia, Denise Williams to Chile, and Amber Hughes to Germany. The club is looking forward to hosting and sponsoring more students in the future.

A SPECIAL LOOK AT 'MAKIN IT ABROAD

Denise Williams with
brother Rick

There we were, sitting on a plane going to a little South American country called Chile. What did we know about Chile? Most of us knew nothing, but we were on our way to finding out. Before we knew it we were several thousand miles from home and saying good-bye to all our newly met A.F.S. friends, and heading for our new homes.

I lived on the outskirts of a small agriculturally oriented city called Linares. I attended a school taught by brothers from a Catholic Marianole congregation who tried to encourage us to find a constructive goal for which to use our education.

After a few changes in family plans due to economic and health problems, as well as a shortage of families, I was brought to the Martinez family where my last seven months were spent. They are a very warm, wonderful family. There I had six brothers and two very loving parents. Unfortunately, shortly after my arriving my Chilean father, Herman Martinez, was found to have a very serious cancer in his liver, and within a few months he had died.

I cannot say that last year was an especially happy year. Though certainly there were many joyful moments, there were quite a few tears shed too. It can, however, be said that it was the best year I've ever had, one of responsibility and of sharing.

Most importantly my eyes were opened a little more to God and his love, and through the experience, a much stronger foundation for my life was formed.

Because of the experience of being a part of another family and another community I can understand my own relationships of home a whole lot better. It also became obvious that because something is not the same it doesn't mean it's bad, only different.

Reaching beneath the different customs, I found that Chilean people are like all the people of the world. They're people who need love, people who laugh and make jokes, people who build homes, raise families and strive to give their children a better world.

A.F.S. helped us to make that world just a little bit better. Now I've got a Chilean family and friends whom I really love. And that same love found by many of us in A.F.S. This year helps to bring us one step closer to a world where understanding and peace are a way of life.

"In seperateness lies the world's great misery.
In understanding lies the world's true strength."

Hi!
My name is Pirkko Havanto. If you don't know, I'm the foreign AFS-student staying in Solvang this year.

I come from Finland which is a small country in Scandinavia, in northern Europe. I lived near Helsinki, the capital of Finland. Our house was near two lakes and there are no mountains or hills near, so the scenery is a lot different. The climate is different too: we have four seasons which differ from each other. It is similar to the weather of the Great Lakes in the U.S.

I have one sister and one brother, both older than I am. My sister attends a commercial college and my brother is in the army (all men have an 8-month training). I think our family is a "typical" one, if there is such a term.

My school in Finland is a little bigger than S Y V H, but we have kids from 3rd to 12th grade, which isn't typical here. We go to school at the age of seven and when we're fifteen we get to decide whether to go to work or to some kind of trade college, or just go on studying. Our "high school" is more academical and there are not as many activities after school. That is one of the things I've really enjoyed here. The enthusiasm in sports and other activities is really an experience.

My AFS-year started in late August on Long Island N.Y. There were all the students from seventeen different countries. That was really an unforgettable experience. Then after two days I met my family in California.

I really like my family here. My parents are much younger than my parents in Finland and it's fun having a sister younger than I am; sometimes I feel, though, that I'm the youngest when I ask a lot of questions about things they take for granted. I know I will miss them a lot after I leave. Soon after graduation from Santa Ynez High I'll be leaving California. All AFS-students tour the U.S. for two weeks enabling us to see different parts of the United States.

I've had some bad times when I've missed my family, but mostly I've had fun. I know this is an experience I will never forget. It has made me more mature, and I see many things differently. I've met and have many good friends from all over the world this year. When I return to Finland I'll always reflect on this experience with joy.

Pirkko Havanto from

A great learning experience is probably the best way I can describe my stay in Australia. The trip taught me many things. I left the United States on January 14, 1980 and returned home exactly one year later on January 14, 1981. (lost a day because of time change.) I lived with the Laurie Bishop family, which consisted of two Australian sisters and one brother, in Pennant Hills, Australia. Pennant Hills is a suburb of Australia's capital city, Sydney. While there, I attended Pennant Hills High School, taking eight classes a day. In Australia, there are no specialized study courses, they are all general subject classes. Although, we were required to wear uniforms to school, our school was co-ed. Going to visit Sydney was one of my favorite past times, where I could experience the fast city life of a big city. Kangaroos were often a familiar sight in the "outback", a name for Australia's simple country life away from the cities. I had a wonderful time and it was a valuable learning experience. I hope to return to Australia again someday.

LANGUAGE CLUB IN MAZATLAN

The 1981 Language Club is planning its yearly trip to Mazatlan, Mexico this summer. The trip consists of eight days of fun and relaxation and learning about the culture of Mexico.

Thirty students and ten adults went on last year's trip. They flew to Mazatlan via Mexico Airlines. Upon arrival they stayed at the Hotel Playa in Mazatlan. While in Mazatlan the students enjoyed going to the beaches, parachuting, skiing, sight seeing, marlin fishing, dining, evening entertainment, and shopping.

The fund raising activity was the snow cone booth at the home football games. Club activities consisted of luncheons at the Maya Restaurant in Buellton.

The group meets once a week for three hours after school. Thanks to Mr. Falkners interest, the club is able to get practical experience in restoring cars.

PIRATE LOG MAKES THE NEWS

Newly reinstated, the journalism class gave the *Pirate Log* a new look. Ads paid the cost of having the paper printed monthly by the *Lompoc Record*. Each issue gave the class practical lessons in effective style, layout, and writing.

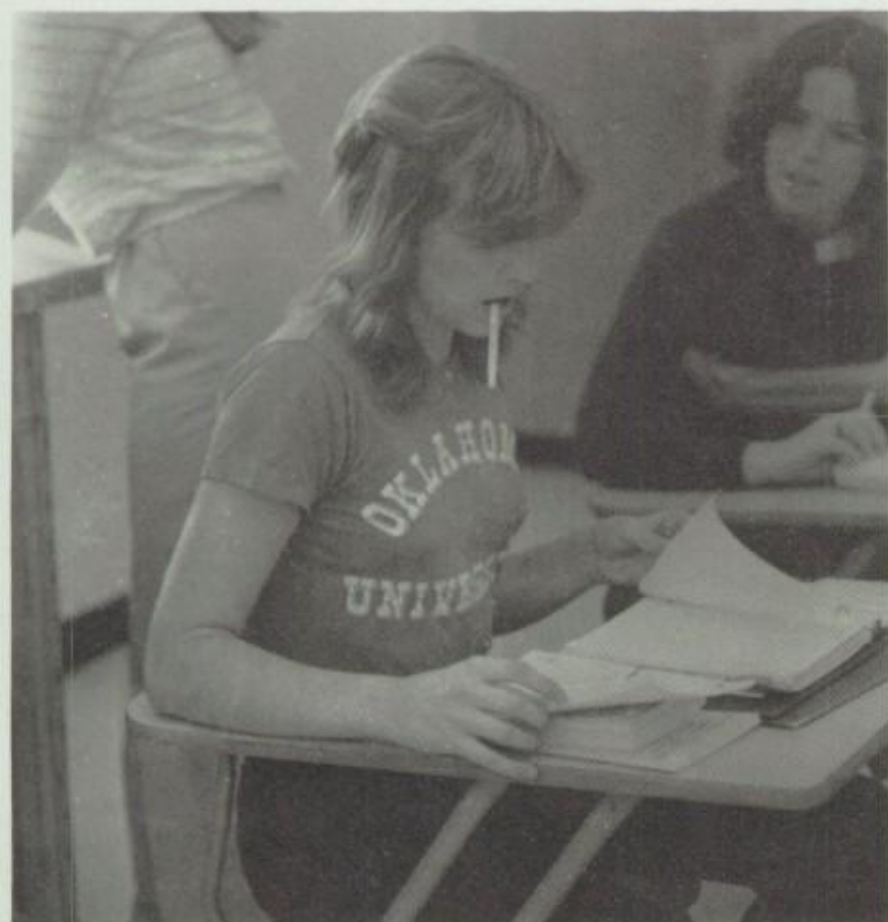

Deadlines were the most memorable part of working on the *Pirate Log*. Even a monthly paper has a series of deadlines which strain the five hour work week allowed by student's schedules. To prepare for the production of a quality paper, students also had a series of homework assignments designed to teach basic journalism skills. Overall, the students learned a great deal.

PIRATE REVUE

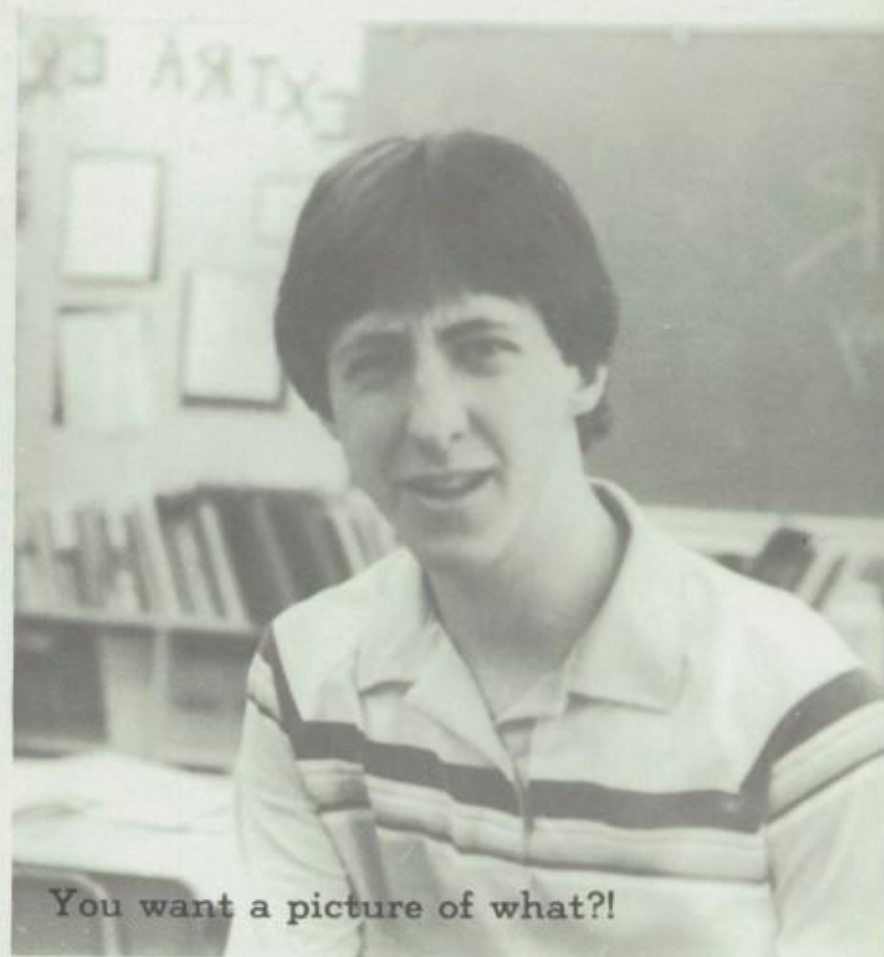

Yearbook has been very hard work. Several deadlines have turned school work weeks of five days into seven day slave labor sessions. Meeting these deadlines required many after school hours of work from our editor as well as others of our staff. Although tedious, yearbook has taught us some things that are very valuable such as: art, design, photography, writing, and responsibility. Yearbook teaches these things in a practical way that no other school course does.

F.B.L.A. goes to Fresno

The purpose of FBLA is to "provide, as an integral part of the instructional program, additional opportunities for secondary students (grades seven through twelve) in business and office education to develop vocational and career supportive competencies and to promote civic and personal responsibility." This year's program of work, was a President's conference in Fresno; a Career Workshop in Los Angeles; a Western Region conference in Anaheim; a Southern Section Workshop; a Southern Section conference in Irvine; a State Leadership conference in Sacramento; and a National Leadership Conference in Chicago. The Santa Ynez fund raising activities include our student store, "The Pirate Paradise", garage sales, donkey basketball, log roll game, Christmas candy gram, current stationary sale and bake sales. FBLA's community projects include fun raising for the American Cancer Society and American Heart fund, assisting Beta Sigma Phi-Iota X; sorority, and donating goods to the Solvang Lutheran Home. This year's FBLA officers are: President, Tammy Ames; Vice President, Sarah Kennedy; Secretary, Dana Cerv; Treasurer, Susan March; Reporter, Debbie Jennings; Historian, John Tiffany; Parliamentarians are Donna Shaw and Pat Monahan; Advisor, Mrs. Lorraine Mercure.

Student Council members talking about the issues.

Student Council is an active club that represents the students at this school, they are responsible for the student body cards, and sponsoring many activities throughout the year, two of which were dances and this year's carnival and class competition.

Student Council is composed of four elected ASB offices: President, Vice President, Secretary, and Student Representative to the Board. These people appoint four other people, and each class votes for a President, Vice President, Secretary/Treasurer. These twelve members along with eight ASB officers form the nucleus of Student Council and have voting rights.

Typical Freshman, always falling on the ground.

In addition to the voting members, other students are welcome to join the student leadership class as non-voting members. This arrangement is desirable for broadening the interest in student government and allowing more students to participate in student activities.

THE THRILL OF VICTORY

Class Competition is a good way for all students to get involved in school activities, and show their vitality. It's a better way to pass the lunch hour than just sitting around. It seems almost everyone wants to get out there and win! Whether it be Seniors, Juniors, Sophomores, or Freshmen, we should keep on getting it together during Class Competition. Remember future years, it is something we ourselves will be talking about with our children, how we "Made It Happen!"

... THE AGONY OF DEFEAT

DANCES MAKE

The 1980-81 school year at Santa Ynez High School was a busy one! Besides the athletic activities, a number of dances were held this year. The dances helped raise money for the various activities, in addition they provided our students with entertainment. Sadie Hawkins gave the girls a chance to experience the fear of asking someone "out", just as the boys had the experience of asking girls to Homecoming and Christmas Formal dances. Some people would say, "Dances Make It Happen!"

HOMECOMING 1980

Homecoming Week 1980 proved to be a very action packed week once again. The activities included everything from "Punk Rock" day to a Dunking Booth sponsored by the cheerleaders at the carnival. Starting off the week on Monday was Hat and Glasses Day, where everyone wore their coolest shades and a hat. Class Competition at lunch was a VW push. Monday was also the day the Senior Class choose their Homecoming Queen candidates of Lisa Lowe and Christi King. Earlier the freshman choose Wendy Caldwell and Joan Wallin. The sophomores elected Susy Ralieg and Shelley Makela, while the Junior Class picked Heather Mullins and Jennifer Minetti as their candidates. Tuesday was a legal holiday and there was no school. Wednesday was the celebrated "Tourist Day" with everyone dressing up as their favorite tourist. Many people dressed up for this as they could relate to it very well. The carnival was also slated for Wednesday and was a big success. There were over ten different booths, sponsoring everything from a bubble-gum blowing booth supported by AFS, to "Munchies Unlimited", a ice-cream sundae making booth created by an Intro. to Business class. Hundreds of prizes were also given away to winners of the games, and there were several give away raffles. Class Competition was the famous Chug-A-Lug. Only the hardest stomachs showed up for this game where the "victim" had to down two glasses of soda as fast as he could! Thursday proved to be full of surprises as "Punk Rock" was the theme of the day. Some punky Pirates showed up in everything from Snoopy P.J.'s to green and silver hair.

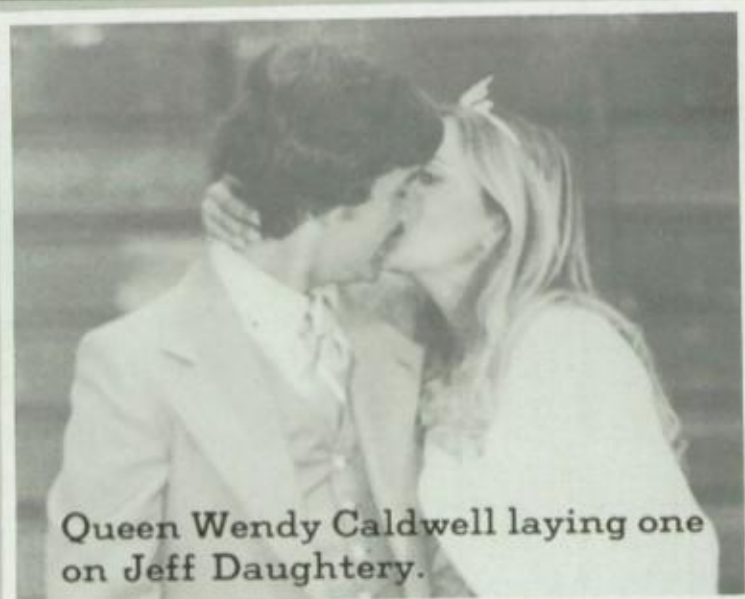

Friday marked the conclusion to this eventful week with a Pep Rally at lunch and various class competitions. Also the Pirate Football Team had a taste of sweet victory as they shut out Paso Robles in a 20-6 victory game. Queen Wendy Caldwell was crowned as 1980 Homecoming Queen at half-time surrounded by her court. All in all Homecoming Week 1980 was alot of fun, ending with a special dance after the game.

Queen Wendy Caldwell came to Santa Ynez High as a sophomore filled with enthusiastic anticipation. The past three years have brought joy and fulfillment for her. Wendy has been a member of FFA for two years and was on the horse judging team. This is her third year in soccer, which is her favorite school sport. She was the captain of the Junior Varsity team, and has received several trophies for her efforts in the past two years. Music and art play a very important part in her life, and she is an avid horseback rider. After graduation, Wendy plans a future in art and fashion design. Wendy feels fortunate to have attended Santa Ynez High, and makes a very deserving Homecoming Queen for 1980.

Interscholastic Athletics at Santa Ynez Valley High School Entering the decade of the 80's, Santa Ynez Valley High School offers a broad opportunity for students to participate in athletics. The school has had a long tradition of fielding competitive teams. Many Santa Ynez athletes, both boys and girls, have continued onto college competition where their athletic involvements have aided their studies leading to lifetime professions. A few have had the talent and opportunity to perform successfully at the professional level. Santa Ynez has traditionally used its athletic teams as the generator of school spirit and enthusiasm; this spirit and enthusiasm have been characteristic of Santa Ynez students for over the past eighty plus years.

Calendar wise, Athletic competition is divided into three sports seasons; fall, winter, and spring. Santa Ynez has a successful program with 34 different teams competing in 15 different sports. Over 400 boys and girls participate on one or more of these teams, in addition, another 50 or more students are involved as cheerleaders, statisticians, timers, and many other functions related to the sports scene. The 1980 fall sports teams had a successful season. Marilyn Wheeler coached the girls' Varsity volleyball team to a co-championship of the Northern League with Righetti. The J-V volleyball team won the league as they went through the season with a super 17-0 record. The boys waterpolo team, coached by Iain McPherson played a free lance schedule where a 12-4 record took them into CIF playoffs. They lost a 12-11 overtime heartbreak game in the quarter finals to Cabrillo. Cross Country, coached by Kit Myers returned to the athletic program after a long absence. The boys placed second in the Los Padres League where they can boast of defeating the league champions from Atascadero in a dual meet. The girls' team was young and competitive. New coach Walter Seemann helped a young girls' tennis team to a successful learning season. Dick McBride, Ken Gruendyke, and Jim Ritchko coached the varsity boys' football team to a fine 8-2 season. The team lost a 14-13 overtime contest to St. Joseph which moved them into 3rd place in the Los Padres League. Their record was still good enough to receive a wild card invitation to the CIF playoffs. Coaches Larry Popkin, Steve Gunning, and Hank Cook developed a fine Frosh-Soph team which finished strong to place 2nd in the Los Padres League, losing their final game to the champions from Paso Robles 8-6.

The winter sports season started in November with Santa Ynez student athletes competing in basketball, soccer, and wrestling. Jerry Swanitz coaches the boys' varsity basketball team assisted by Rich Hollis. Chuck McBee coaches the J-V and freshmen boys' teams.

An aerial photograph of the Santa Ynez High School campus. The image shows several large school buildings, parking lots filled with cars, and two sports fields. One field is a large oval track, and the other is a baseball field. The word "SPORTS" is superimposed in large, bold, serif capital letters across the top of the image.

SPORTS

Mary Lou Stephenson coaches the girls' varsity and J-V basketball teams. Iain McPherson coaches the co-ed varsity and J-V soccer teams assisted by Mark Schlenz. Andy Huyck and Steve Gunning coach the varsity and J-V wrestling teams. The basketball and wrestling teams compete in the Los Padres League while the soccer team competes in the Northern League.

The spring sports season starts the end of February with Santa Ynez fielding teams in baseball, gymnastics, softball, swimming, tennis, and track. Bud Hickman coaches the varsity boys' baseball team, assisted by Dave Kuehn. Steve Gunning coaches the Frosh-Soph baseball team. Candice Celestina coaches the girls' gymnastics team. Mary Lou Stephenson coaches the girls' varsity softball team while Marilyn Wheeler is coach of the J-Vs. Iain McPherson again coaches the girls' swimming and diving teams, assisted by Mike Vellekamp. Dean Gilchrist coaches the boys' varsity tennis team with Larry Popkin coaching the J-Vs. Kit Myers and Harvey Green coach the boys' and girls' track teams. The baseball, tennis, and boys' track teams compete in the Los Padres League. The gymnastics, softball, swimming, and girls' track teams compete in the Northern League.

Next year, 1981-1982, all of the Santa Ynez athletic teams will compete in the Los Padres League. This league consists of Atascadero, Morro Bay, Paso Robles, and St. Joseph. The Northern League, made of larger schools, consists of Arroyo Grande, Cabrillo, Lompoc, Righetti, San Luis Obispo, and Santa Maria.

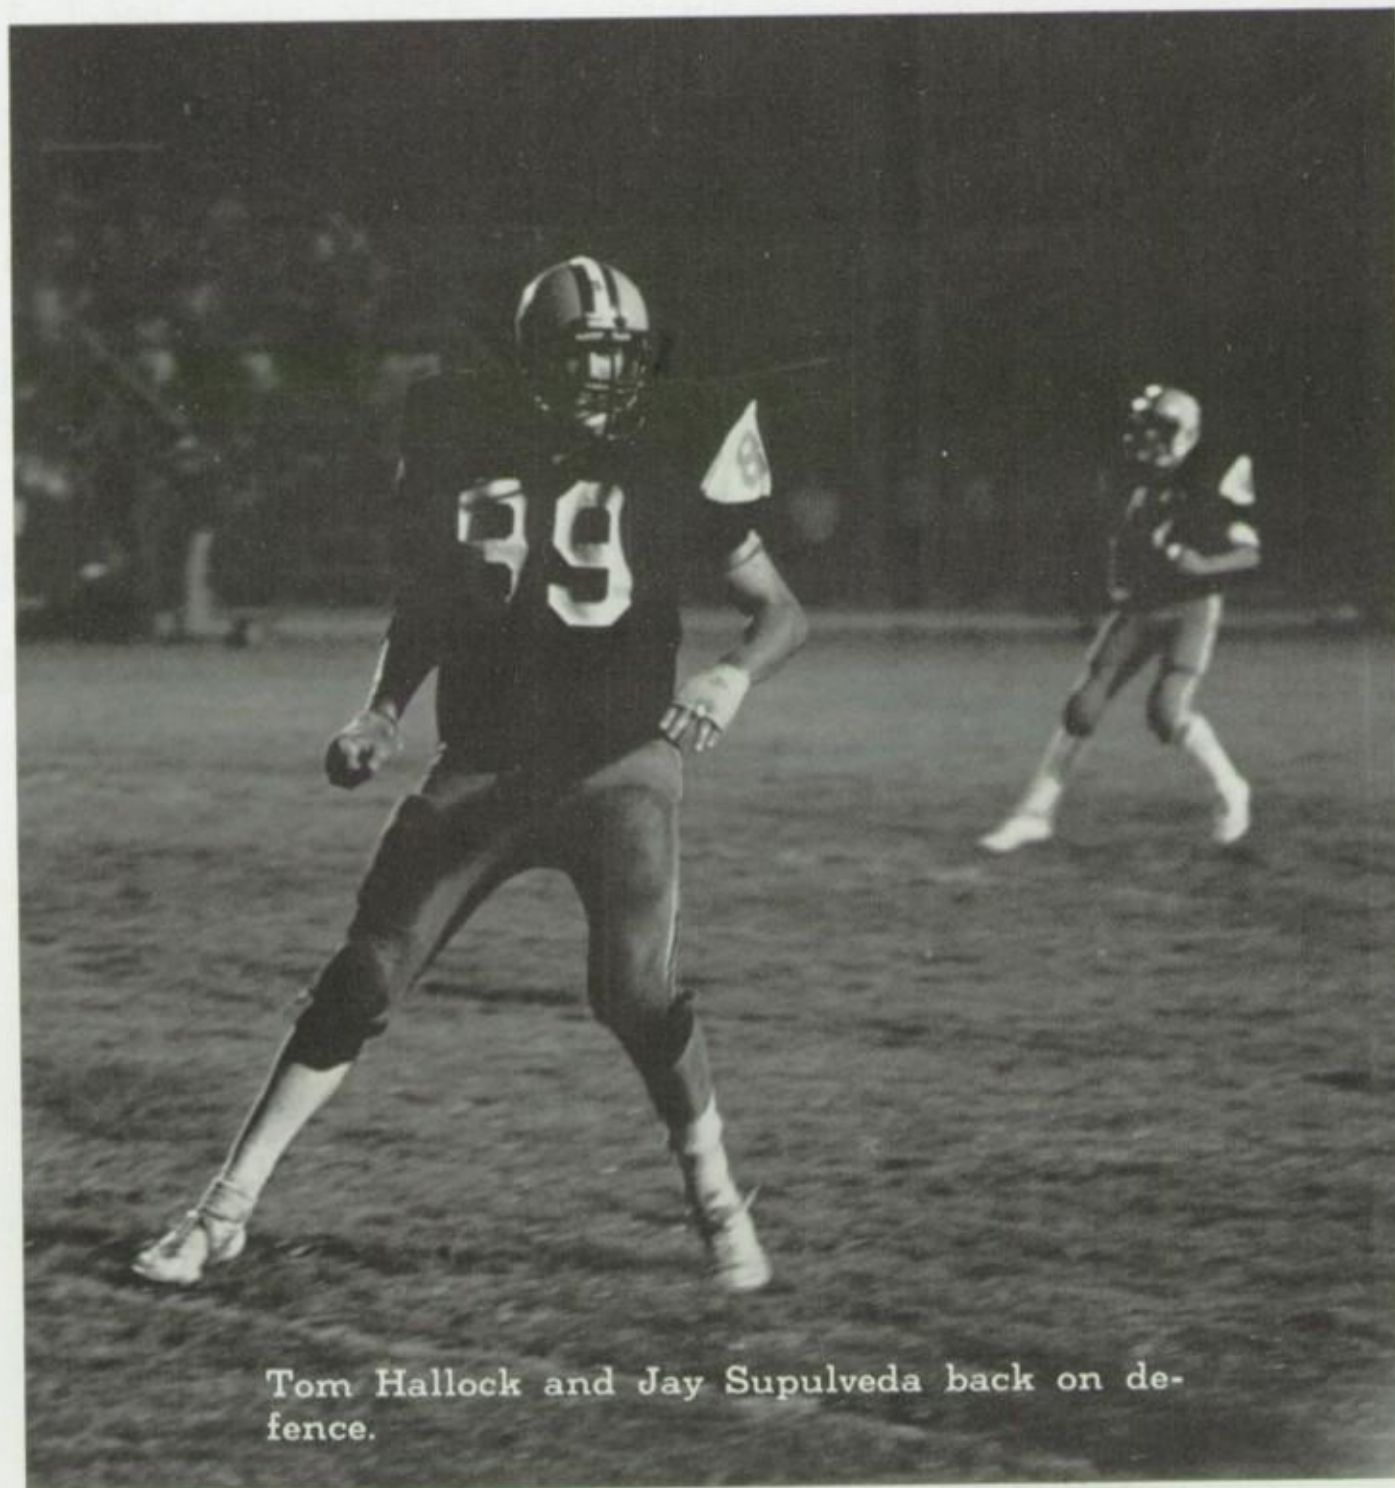

Santa Ynez athletics is a business with gate admissions for athletic contests grossing about \$10,000 a year. These funds are used to pay for officials, game management, equipment, uniforms, and other expenses involved with the program. The high school district general fund budget provides about \$20,000 annually for athletic uniforms, equipment, and supplies. The district also provides transportation at a cost of approximately \$15,000 and salaries for coaches of \$35,000. In addition, booster clubs provide additional funding of upwards of \$10,000 for equipment, uniforms, filming, awards, and supplies. The food and beverage concessions at contests bring in over \$10,000 per year. These concessions are run by various campus clubs as well as booster groups.

The Santa Ynez athletic program provides the opportunity for a wide level of involvement for students and the community. The future of the program looks promising with the football boosters making plans to improve the football stadium. The district continues in its efforts to upgrade the quality of its facilities, continuing to keep Santa Ynez Valley Union High School the community center for education, athletics, and recreation.

The 1980 Varsity football team had the finest win-loose record in ten years. They were a dedicated group of athletes that worked hard to achieve their successes. One major characteristic of the 1980 team was their closeness and togetherness as a group. Their attitudes were very positive and they showed great enthusiasm towards attaining their goals. The student body of Santa Ynez High School should be very proud of each member of the team.

Taft, their first win of the season, was the beginning of their winning streak. The Pirates won their next five games in a row. To become League Champs, the Pirates had to win their last game of the season, they put up a good fight, but were defeated by Paso Robles.

VARSITY WATER POLO MAKES WAVES AS MOST IMPROVED TEAM EVER

The 1980 Varsity Water Polo Team got to a slow start this season because of a general lack of experience among the players. With only eight watermen playing most of the season. Coach "Omar" McPherson had his work cut out for him. As the season progressed McPherson saw his players improve as a team. They dominated the Santa Maria Valley Tournament, and also defeated teams in the difficult Tru La Vista Tournament in San Diego. This was McPherson's seventh consecutive year at C.I.F. play off's. Among the outstanding watermen were Mark Vellekamp, Chuck Spencer and Joe Meehan, who were named to the All C.I.F. Team. Mark Vellekamp was also named to the honorary All American Team for 1980. When asked about the overall season Coach McPherson replied, "1980 was my most successful year, with the team improving more than any other team in the past." The Varsity Polo Team ended the season with a 18-5 record.

Varsity Team fielding ten of the best all-around players Santa Ynez has ever had. Repeating as League Champions again, it proved the super talent, desire and teamwork this group has. Led by Co-captains Barbie Olhousen and Jennifer Menitti and the most valuable efforts of Koury Shalhoob, this team out hit and out maneuvered every team in the league. Hard practices, bus trips, secret friends, kidnap breakfasts and good fun (on and off the court), became memories of this 1980-81 group.

"GREAT ACTION," -these two words best describe the two girls volleyball teams for 1980. Junior Varsity had twenty spirited, enthusiastic and totally self-disciplined players. Seven returnees and thirteen brand new players lead the J.V. to an unprecedented undefeated season 17-0!! Co-Captained by Varsity players Kourey Shalhoob and Marie Chapella and lead by two most valuable players Lisa France and Carrie Sparrow the J.V.ers could be seen around campus on game days in rather weird but great costumes! Team moral was always high because of two super leaders, Debra Jennings and Kim Whitford. Many of these players will be trying out for the next years Champion Varsity Team!

GIRLS TENNIS, FALL 1980

To become a competitive team the girls Varsity Tennis Team started practicing in September under the new coach, Walter Seamann. The team was led by Captain Suzy Raleigh who carried the group through northern league schedule. Seniors Lori Wolf, most improved player, and Katy McCullough, most valuable player highlighted the season.

A new crop of young hopefuls made it to the Junior Varsity Tennis Team. They were eager to go along with the top group to watch and wait for a chance to play against another team. This provided them with a valuable experience and many of them will be chosen for the top team in 1981. These girls finished with a good overall record of 9-8. The tennis team displayed a fine school spirit and the girls were a joy to watch in their new tennis outfits.

This team worked so well together, always relying on each other. They displayed exceptional passing and the best defense in the league. They were a young team and the best girls' varsity basketball team ever for Santa Ynez High School. They were a very intense team and acquired a calm, controlled attitude which contributed to winning several one point games in the last seconds of play.

The girl's Junior Varsity Team started off with an excellent 12-5 season, with the quick starting line of Kim Schyler, Karen Camargo, Lydia Quiroaga, Kristy Jensen, and Julie Bragg.

With only two returning players, the team blended well together, being extremely aggressive with excellent full court press. The girls scored a total of 682 points to their opponents 511 points, which is impressive for a small team. Coach Mary Lou Stephenson remarked that the Junior Varsity Team picked up skills quickly, and were always eager to play. Noted players were co-captains, Kim Schyler and Karen Camargo, who were tough competitors. They were helped by their team mates to make a highly successful season. Coach Stephenson is looking forward to an outstanding year in 1982, with many girls moving up to the Varsity Team.

VARSITY BASKETBALL GOES C.I.F.

"A slow start but a fast finish," sums up the Pirate basketball season this year. In the early going the young and inexperienced Pirate varsity appeared headed for a disastrous season. The end of pre-league play found them with dismal 2 and 5 record.

However, in their league opener, a 50-31 upset trouncing of Atascadero, the Pirates looked like a brand new team. The extra hours of gym time afforded by Christmas vacation were beginning to pay dividends. The emotional high generated by the victory over the Greyhounds was not to last long, however, as the Bucs traveled to Santa Maria and arch-enemy St. Joseph handed Sy. Y. a 55-51 setback.

Not to be dismayed or denied, the exciting Bucs went on a six game winning streak which propelled them to the top of the LPL standings with a 7 and 1 record. The lofty heights, however, proved too much for the Pirates to handle as they dropped consecutive games to Atascadero and St. Joseph to fall one game behind St. Joe for the league lead.

Fortunately the team was able to regroup enough to dispose of Morro Bay and Paso Robles in their final two league games. And, to the great delight of everyone, St. Joseph dropped its final encounter to Atascadero and handed S.Y. a share of the league championship as both teams finished the league with identical 9-3 records.

The Pirated advanced to the CIF Playoffs and in their opener defeated the determined and flashy L.A. Lutheran Lions 57-56 in a thrilling double overtime "barn-burner". The joy of this victory was heightened by the fact that St. Joe was dumped by Rio Mesa in their first round.

In the second round game, the Bucs met up with the Carpinteria Warriors, and lost a heart breaker, 59-54. And so, like all the teams that make the playoffs, with the exception of the final winner, the Pirated ended on a losing note. However, this young team had put together an exciting, successful season that they can always look back on with pride.

WRESTLING 1980-81

After a slow start in pre league competition the Pirate wrestling team finished a close second in Los Padres League competition. Led by senior wrestlers Vincent Armenta, Mike Anderson, Mike Guynn, Larry Tevis, Mark Brown, Dan LaBerge, and Sam Twigg the Pirates achieved a 3-3 league record and placed second in the league tournament by a mere seven points.

Besides finishing second in league competition, the Pirate grapplers also finished first at the Santa Ynez five way, second at the Ventura five way and second at the San Marcos five way. During these tournaments the pirates outwrestled many larger schools which included Ventura, San Marcos, Rio Mesa and Thousand Oaks.

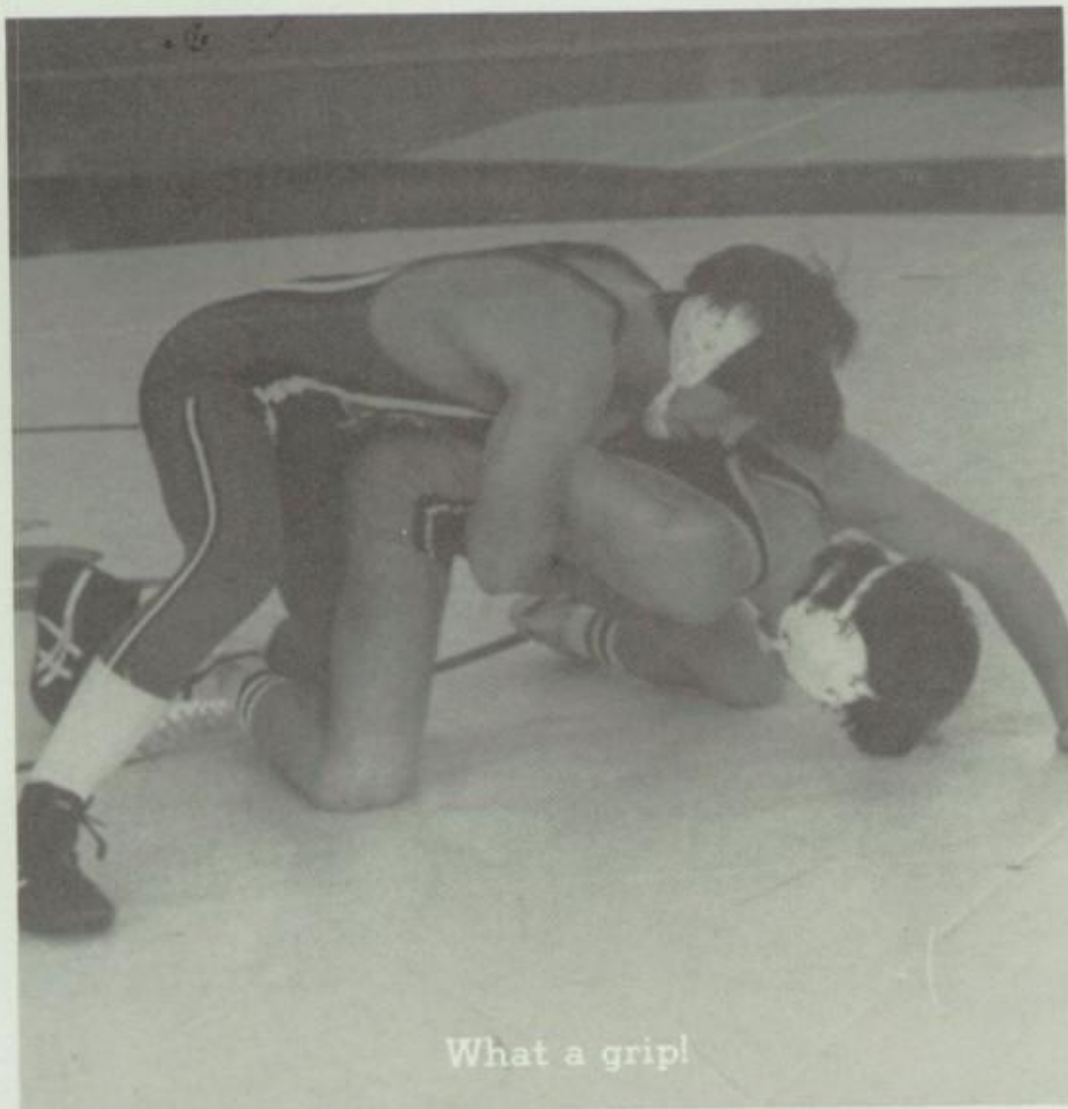

Larry Tevis went undefeated during the season at 147 Lbs. and finished first in his weight class in the C.I.F. Southern Section. Mike Guynn finished third in the C.I.F. Southern Section Tournament after achieving an outstanding season record.

Congratulations to the S.Y.H.S. Gpplers for all of their achievements during the 1980-81 wrestling season.

Santa Ynez is first again

1981 brought a tough season for Soccer. The Simi Valley Tournament, early in the season, matched the team against four A CIF Finalist of 1979-1980, and the Pirates performed well. Coach McPherson cited the good balance between experienced and youthful players as an important factor in the quality games played by the team.

Notable players this year were Brian Palbaum, for his five shutouts, and Joe Meehan. Meehan held the team record for most goals, assists, and points, as well as having earned a varsity letter for four years.

Concentration Now Begins!

The 1981 Pirate Swim Team had a rigorous schedule, working every day during Winter break for two hours, and when school resumed, practice was scheduled for two hours before and three hours after school. This was to prepare the team for the thirteen Northern League Swim meets.

Even though the workouts were tiring and the meets nerve-wracking, the swimmers enjoyed every bit of the season.

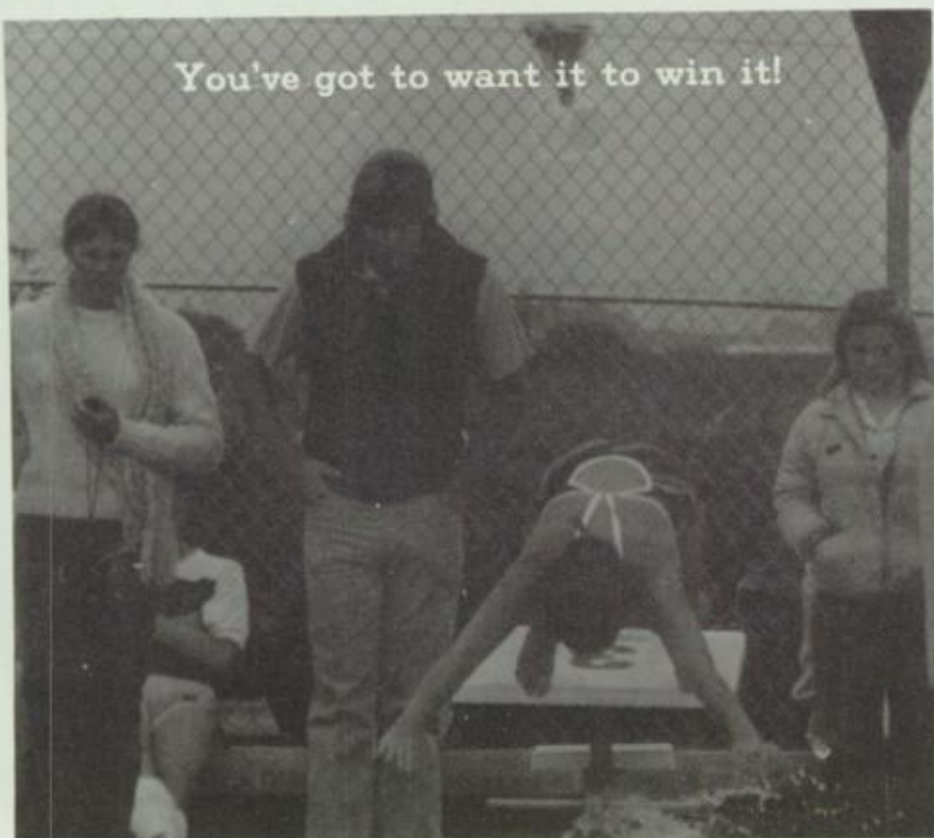

Many thanks to Coach Vallekamp and Coach McPhearson, for their interests and effort in "Making It Happen" for the Santa Ynez High School swimmers.

JV TENNIS

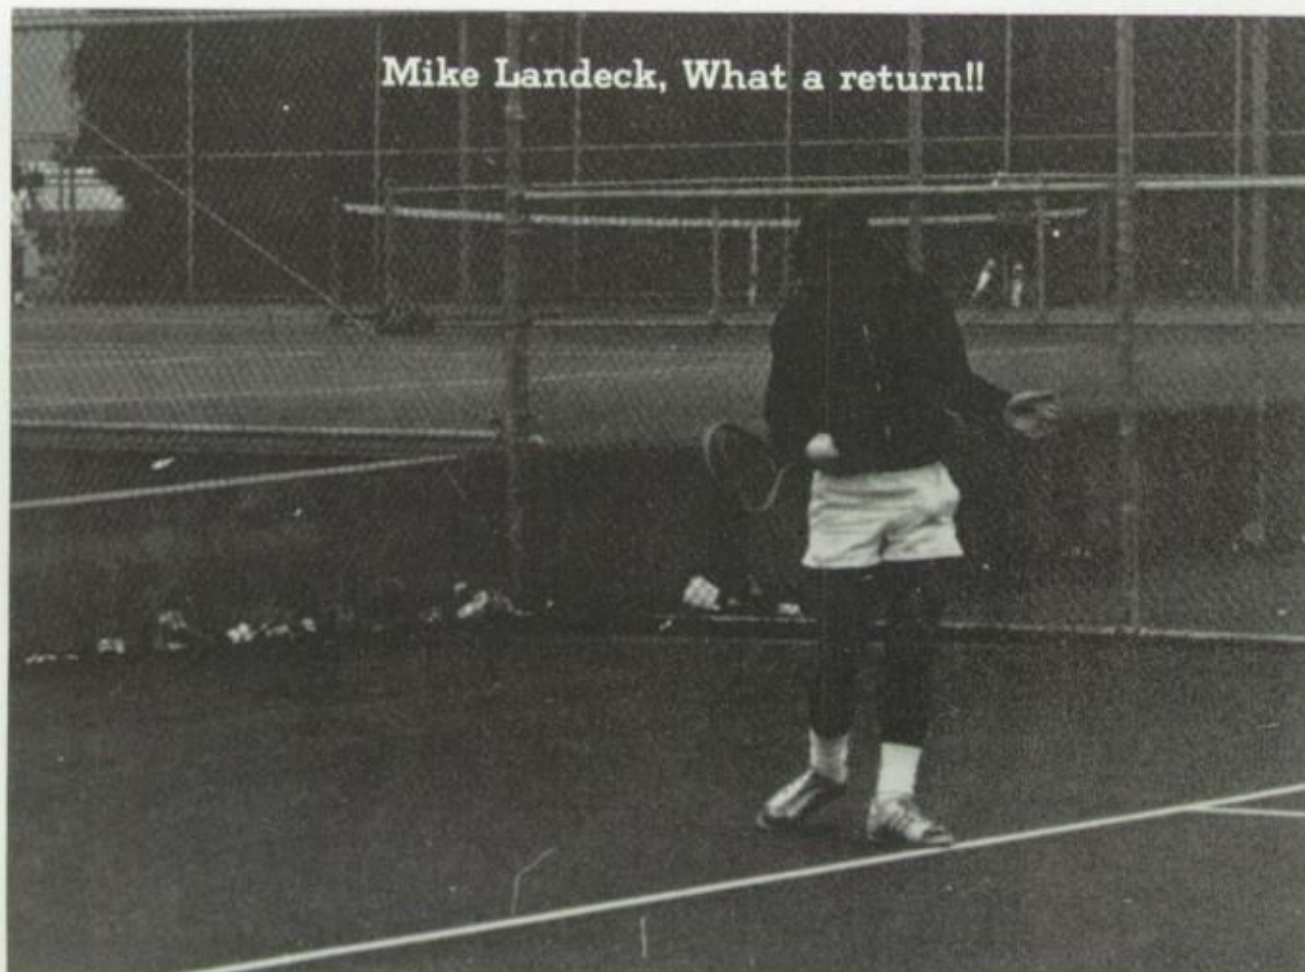

The Junior Varsity should once again be quite strong and is the favorite to win the league title for the third straight time, under the tutelage of coach Larry Popkin. Heading the roster of JV players are Bob Van Tassel, Mike Landeck, Brett Jones, Paul Escobedo, and Aaron Houston. Freshman new to the squad are Adam Mansfield and Kerry Hall.

VARSITY SOFTBALL

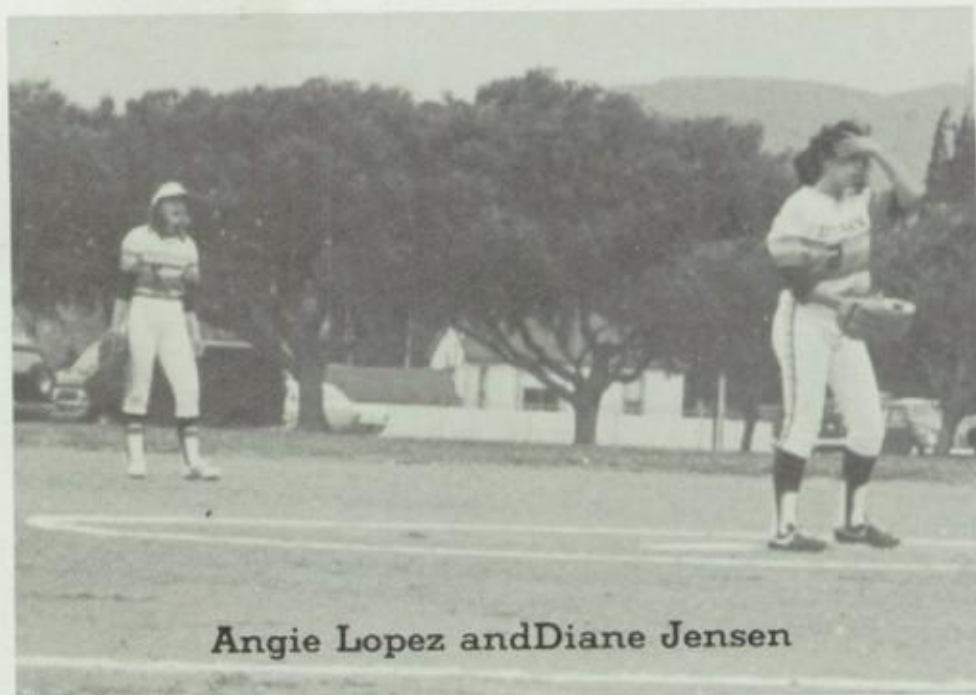

The 1981 Girl's Softball Team completed its final year in the tough Northern League and looks forward to becoming members of the Los Padres League in 1982.

The Varsity Team played well in the season, and fought hard against the toughest teams in the league of Santa Maria and Lompoc.

Although the Freshmen girls lacked a lot of experience in the beginning of the season, to make a solid Junior Varsity Team, the girls gained a lot of experience that will help them in the years to come.

The Varsity Team was young, with one Freshmen and only five Seniors, but the softball program is improving every year and the players are getting stronger.

Angie Lopez and DeLynn Coffing worked hard in the pitching area and faired well during the year. The offensive power came for the team from Diane Jensen, Katy McCullough, and Susy Raleigh; while the defense power came from Jennifer Osborne and Diane Jensen; the speed and strength in the outfield came from Kim Whitford, DeLynn Coffing, Lucy Foresta, and Tracy Fagan.

"From out of the West"—Ronald and Nancy Reagan riding on their Santa Ynez Ranch.

Ronald Reagan Moves To Western White House

For those of you who haven't heard it, or haven't seen it, or if you have been hibernating under a rock for any length of time, Ronald Reagan the Fourtieth President of the United States now hangs up his spurs at the new Western White House. The Reagan's Refugio Ranch is located approximately six miles south of Santa Ynez High!!! They now call their Refugio Ranch, their western retreat. They can occasionally be seen or heard as Air Force One choppers hover over the valley skies taking the Reagans to their mountain ranchero. The valley is extremely happy about having the President and Mrs. Reagan living so close, it gives us all something to brag about. We hope they enjoy the valley as much as we do.

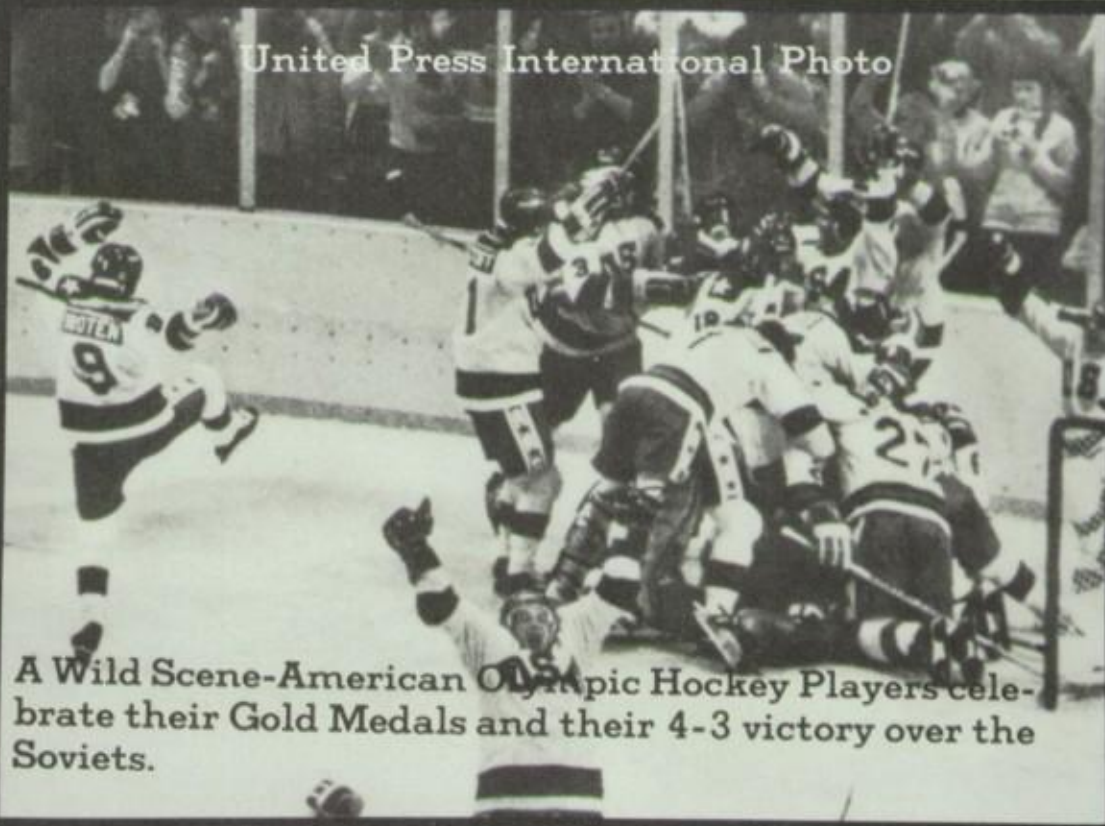

Far Out

Voyage 1, launched Sept. 5, 1977 from Cape Kennedy, performed like a champion relaying details of the planet Saturn and its moons. Carl Sagens television series "Cosmos" took the world on a tour through space, past and future. Space's future will have great relevance to this area, as Vandenberg Air Force Base is the "back-up" site for the Space Shuttle program rather like the "rescue" player. It is to be "Hail, Columbia" whether the east coast or the west coast in 1981.

-Icing On The Cake-

The 1980 Winter Olympics in Lake Placid, New York held some expected excitement for the United States' team, like Eric Heiden's gold medals. The unexpected-the miracle-was the hockey team. Young and inexperienced, they had not expected to even make a showing against the Russians and Checks. But, once again, the incredible power of determination and enthusiasm came through-they won the gold medal!

REAGAN COUNTRY

WHAT HAPPEN

United Press International Photo

reed American hostages step down from plane in Algiers on January 21, 1981.

Tie A Yellow Ribbon

For 444 days a disapproving but helpless world watched and waited until Iran tired of the latest fad in international terrorism: holding hostages. 52 United States citizens were held 14 months in violation of international law, in demand for the person and property of the deposed Shah.

The Shah's move, and subsequent death, dulled the edge of the Iranian demands. With agonizing delay, Iran finally agreed to negotiate through Algerian intermediaries.

The hostages came home to emotional, tumultuous, celebration and miles of yellow ribbon.

End of an Era

A new direction in the music field was launched over a decade ago by a long-haired quartet from London, the Beatles. The four went separate ways, two of them became individually as well regarded as the combination; Paul Mc Cartney and John Lennon.

Through his music, John Lennon had become a philosophical lead for a generation. The world was stunned and grieved by his murder December 8, 1980. His influence will still be felt through the music he left, his potential can only be guessed.

"Reagan Country"

Campaigning with the poise of a professional, Ronald Reagan deflected Jimmy Carter by a land-slide to become the 40th President of the United States.

Reagan promised to reduce federal spending and the stringency program will possibly be felt all up and down the ranks.

The Western White House moved to upper Refugio Road, and Santa Barbara will become a household work in the next four (or more) years. Shifty-eyed Secret Service men with shoulder holsters will be as common as bikini-clad roller skaters.

ADS

Advertising is of major importance to the financing of the High School Yearbook. The approximate cost to produce our yearbook is \$15,000.00. This includes our operational plus publishing costs. Each yearbook cost about 16.00 dollars to publish, and because of the generous support of the community we are able to offer our book to the student body at the beginning of the school for the exceptional price of 12.00 dollars and later in the year for 15.00 dollars,

thus saving each student who takes advantage of this sale, a considerable amount of money.

In addition to the support we recieved, we sponsor a Dance in April, and had a booth at the Homecoming Carnival.

We, the students, appreciate the Communities' support for providing funds for our Yearbook, Sports, Clubs, and for providing many of us with jobs.

Our Yearbook Staff extends its appreciation and Thanks to our Advertisers!
